Candidates and reviewers will access applications using Panther180 and will login with their FIU MyAccounts credentials. Once a letter of evaluation is submitted, the candidate has 5 calendar days to submit a rebuttal (should they choose to do so). These five days are automatically allocated and cannot be bypassed once the process has been initiated. Once five days have passed since the submission of the letter, the file will then progress to the next stage of review. Please note that all submission deadlines should be followed unless otherwise communicated.

**\*If applicable, based on department/unit guidelines**

**\*\*Date is subject to change depending on the volume of applications.**
