

Only currently-accredited programs or those holding a Letter of Review are listed on the CAAHEP website. Inquiries about programs **previously CAAHEP-accredited** and **older/closed programs** must be submitted by [using this form](#).

If a program's next evaluation date has passed, it is likely under review by the profession-specific Committee on Accreditation. CAAHEP accreditation remains in place throughout the review process until it is complete and voted on by the CAAHEP Board of Directors.
