Accredited MD Programs in the United States

This page was last updated on February 27, 2026.

Search:

State	Program	City	Next Survey Date	Accreditation Status	Initial Year of Accreditation
Florida	Florida International University Herbert Wertheim College of Medicine	Miami	2033-34	Full	2007

*Indicates that the program was accredited prior to the founding of the LCME in 1942.

The LCME is recognized by the U.S. Department of Education and WFME as the notable authority for the accreditation of medical education programs leading to the MD degree.
