

To get to the Standard PO Dashboard, navigate to <https://solutions.nuventive.com> and log-in using AD credentials if prompted.

1. Select the academic program or unit in the drop-down menu.
2. Use the left-hand hamburger menu to enter Program Outcomes and select: PO Assessment Plan & Results
3. On the right-hand document panel, select the Standard PO Dashboard Data report.

This is the screen you will see after you are logged in to the dashboard. You will notice there are three different drop-down menus.

Click under the Reporting Year filter to select the years you would like to view. To make comparisons and to have the system generate the results statement, you must select three years. The results statement will be generated for the last year selected.

Program Metric Review

Reporting Year: (Multiple values) | Major: (All) | Academic Plan: (All)

Please select the academic year for which you are gathering data AND the previous two academic years to add points of comparison. For example, when reporting data for 2017-18, check off the following Reporting Years: 2017-18, 2016-17, 2015-16. You can copy the generated statement displayed under the data and copy it onto your Program Outcomes. For help please contact Katherine Perez at 305-348-1418

FTIC 4-Year Graduation Rate

Year	Rate
2015-16	29%

The four-year graduation rate increased by 7.62% from the previous year for the program.

AA Transfer 4-Year Graduation Rate: AA Transfer cohort is defined as undergraduates entering in the fall term (or summer continuing to fall) and having earned an AA degree from an institution in the Florida College System. The rate is the percentage of the initial cohort that has either graduated from or is still enrolled in the same institution by the second or fourth academic year. Both full-time and part-time students are used in the calculation. The initial cohort is revised to remove students, who have allowable exclusions as defined by IPEDS, from the cohort.

Once you have all three drop-down menus filtered. You will be able to view data for various metrics. These are the data you will use to complete your Program Outcome (PO) report(s) if you have Standardized Program Outcomes.

A result statement will be generated below the heatmap for each metric. To copy this statement, highlight it with your cursor and press *ctrl+c* on your keyboard. (Right clicking is not currently available in the dashboard.)

If one or more of your Program Outcomes uses the Graduating Student Exit Survey as a tool for data collection, scroll to the bottom of the dashboard and click the link to the exit survey section of the accountability.fiu.edu dashboards. You may need to login again to view this page.
