 Re: Fulbright Scholar Program Day at FIU

I am pleased to invite faculty, administrators, and staff to our first Fulbright Scholar Program Day at FIU. Please see the below schedule for an overview of the events.

Faculty, administrators and staff, who might be interested in applying for one of the various [Fulbright programs](#) are welcome to attend a workshop or sign up for an individual consultation with Fulbright Scholar Program representative Athena Fulay.

We also invite Fulbright alumni (Scholars as well as Specialists) to join our first ever reunion of all Fulbrighters on campus. At this reunion, we will engage in an open dialogue on how the Fulbright program has opened global learning, teaching and research opportunities to them, and how we together can facilitate the participation of more FIU employees in these enriching initiatives all across the world.

Please remember to register (click [here](#) or on the below registration link) for any of these events since space is limited.
