

PATRICK TOD COLEGROVE, PH.D., MSLIS, MS

INNOVATIVE, TRANSFORMATIVE, AND INCLUSIVE LIBRARY LEADER

Accomplished library executive with a proven record of digital transformation, resource development, and inclusive student success. My leadership directly supports FIU's Top 30 by 2030 ambition, its role as the nation's largest Hispanic-Serving Institution, and its commitment to technology-enabled educational impact and social mobility.

Innovative and inclusive academic library leader with a national reputation for pioneering digital transformation, advancing AI and research data literacy, and championing student and faculty success at the largest scale. Seasoned administrator managing multi-branch, multi-million-dollar systems (budgets \$17M+, staff 160+) and driving philanthropic, state, and federal investment. Dedicated to shaping FIU's next era of excellence as a vibrant, multicultural, globally engaged research university.

Multilingual: English, Spanish, Italian. Able to relocate.

Digital Innovation Leadership: Designed and scaled university-wide AI literacy initiatives impacting 3,000+ students, developed foundational AI certificate programs, and drove a 1,000% increase in research repository engagement.

Strategic Partnership Building: Forged cross-campus, regional, and international partnerships—including leading pandemic technology collaborations and multi-state workforce development programs integrating public libraries and state agencies.

Dean of Albertsons Library, Boise State University one of nations most innovative – former **State Librarian & Division Administrator**
Head of DeLaMare Science & Engineering Library – Digital Initiatives, University Libraries - University of Nevada, Reno

Leadership Contributions & Influence

Digital Transformation & AI Leadership

- Designed and led nationally recognized, university-wide AI literacy initiatives impacting 3,000+ students; built foundational AI certificate programs, integrated in core curriculum, and drove a 1,000% increase in repository usage.
- Rapidly implemented technology solutions serving research, learning, and workforce adaptation needs.

Resource Development & Fundraising

- Achieved 140% state funding increase—the first for libraries statewide in over 15 years; secured \$9M capital improvements and \$13.8M+ in competitive federal and state grants.
- Secured landmark private gifts, including cultivation of \$8M endowment for student scholarships and \$1M annually for learning resources through donor relationships, direct engagement and collaboration with foundation boards

Strategic Partnerships & Advocacy

- Forged multi-sector collaborations across states, public and tribal libraries, universities, and government agencies.
- Acted as visible library advocate on national and state stages (ALA Council, state legislative and congressional testimony, coalition building).

Diversity, Equity, and Inclusion Leadership

- Expanded access and workforce participation among underrepresented groups by 40% via NEVADA XR Libraries Project (VR for career exploration).
- Led inclusive hiring and professional development, transforming library teams to better reflect student and community diversity.
- Cultivated partnerships with tribal and rural libraries, advancing targeted grant programs and services for underserved populations by 40% via targeted tech initiatives.

Research Impact & Scholarly Leadership

- Internationally recognized as a thought leader: invited speaker in the US, South Korea, China, Belarus, and the Netherlands; author of 54+ peer-reviewed publications on digital scholarship, library innovation, and data-enabled research.
- Consulted for leading academic libraries globally and consistently elevated research infrastructure, scholarly communication, and collaborative campus impact.

Education

MS in Library & Information Science (2009): Drexel University, Philadelphia, PA

Doctor of Philosophy, Physics (1999); **MS in Physics** (1992); **BS in Physics** (1989): University of Nevada, Reno

Library and Executive Career Path

Boise State University	<u>Dean of Albertsons Library</u> , 2022–Present
Carson City Library	<u>Executive Director</u> , 2019–2022
Nevada State Library, Archives & Public Records	<u>State Library, Archives, & Public Records Administrator</u> , 2018–2019
University of Nevada	<u>Director, DeLaMare Science & Engineering Library, University Libraries and TLT</u> , 2010–2018
University of Nevada	<u>@One Services Manager, University Libraries and Teaching & Learning Technologies (TLT)</u> , 2008–2010
University of Nevada	<u>Information Services Specialist II, University Libraries</u> , 2006–2008
University of Nevada	<u>Adjunct Faculty & Instructor, Honors College</u> , 2010–2013
University of Nevada	<u>Stellar Astronomy & Pre-Med Physics Instructor, Physics Department, College of Science</u> , 2004–2009
University of Nevada	<u>Researcher, Department of Energy; Bechtel Nevada Satellite & Remote Sensing Lab</u> , 2004–2005
Telecom Holdings of Nevada	<u>Chief Technology Officer</u> , 2001–2005
PowerNet	<u>Founder, President, & CEO</u> , 1993–2001
NASA Space Grant Colleges	<u>Research Fellow</u> , 1991–1993

Boise State University, ID: **Dean, Albertsons Library** | 2022 – Present

New Funding, Grants, AI Certification Program, Technology Offerings, Academic Resources, Community Engagement & Events
 67+ FTE Staff, Stewarding Growth, Motivation, Compensation, & Leadership - Direct Report to Provost & VP Academic Affairs

Provide strategic vision and operational leadership for a library system serving over 27,000 students and 1,470 faculty, aligning library resources and services with the university's strategic plan and research priorities. Lead and empower Library faculty and staff in strategic planning effort; leverage turnaround, administrative, and visionary expertise to foster innovation; **increased operating funds by 23% annually, enabling significant investments in collections, technology, and personnel to support emerging research areas**; secured new funding including an estimated \$9M State funds for 2025 capital renewal accomplishing critical-path maintenance of facility. Refine branding, layout, and capital improvements. Oversee libraries, funding, strategic outlook, donor development and building endowments, HR / legislative reporting and communications, and general fundraising on behalf of the Library. Built marketing and communications team. Lead professors, librarians, and teams (acquisition funding, CHIPS / Science Act review, Public Services reorganization, events, national committee representation, technical access, research consultations, IS onboarding). Partnered with Academic Advising & Support Center to offer tutoring and study support.

- **Funding Strategy:** **Increased operating funds by winning a 23% budget increase**, enabling significant investments in collections, technology, and personnel to support emerging research areas; resolved 10+ year structural budget deficit; aligned staff job descriptions around current and future library needs, addressing identified compensation and workload issues.
- **Budget Justifications:** **Secured 100% of Provost 2024 budget approvals** by documenting operating fund shortfalls against demand and inflation, plus \$1.6M for new collections and customer-centered service; collaborated with Provost's Office and State Board to implement a library fee levied on students to allow for additional investment and expanded access.
- **Enhanced Campus and Researcher Visibility, Impact and Collaboration:** Led the development of a Research Information Management System (RIMS) that increased researcher visibility, facilitated collaboration, and enhanced grant applications; in one year, realizing **a nearly tenfold increase in full-text downloads** over legacy IR - more than 6.2 million.
- **Pioneered leading-edge AI literacy initiatives:** Faculty development/pilot of self-paced and for-credit courses, lead of an AI certificate program, and **integration with research and critical inquiry instruction embedded in University Foundations coursework** – reaching more than one-sixth total University FTE student enrollment within the first semester of launch.
- **Student & Faculty Engagement:** Collaborated with faculty to develop and **implement innovative library services to directly support their research and teaching needs**; leveraged \$150K capital improvements to realize 50% yearly rise in foot traffic, 815% rise in space reservations, 20% more in-person visits, and 54% increase in library computer logins; led rework of entrance floor to create enhanced engagement opportunity and springboard collaborative learning.
- **High-Profile Offering:** Early host of *Americans and the Holocaust* exhibit in 2023 (7,900 visits to presentations, panels, film screening); currently collaborating to host national exhibition *Speaking Volumes: Transforming Hate* across three local venues.

Carson City Library, NV: Executive Director | 2019–2022

Statewide, Library, & Industry Influence, Spearheading Critical Programs & Funding for Current & Long-Range Improvements
 24 Direct + 16 Indirect Reports, Plus ~\$3M Operating Budget - Direct Report to Board of Trustees

Led and managed complex organization as branch of City government, fostering collaboration and building strong relationships with diverse stakeholders. Promoted learning, engagement, and educational access through deep collaboration with city, school,

Carson City Library, NV: Executive Director | Continued...

college, elected, and educational officials. Oversaw library and informational services in tandem with economic development programs, using operations, funding, legislative and community relations, technology, and policy-procedure skills. Developed and implemented strategic plan, managed multimillion dollar budgets, and secured funding to support library services and programs. Formed state-federal alliances. Recommended actions to political oversight groups. Cultivated team, colleague, elected official, and community relations.

- **Advocacy:** Advocated for libraries at the state and federal levels, as Chair of the Nevada Association of College and Research Libraries (ACRL) chapter, as President of the State Library Association, and as elected member of the American Library Association (ALA) Council.
- **Funding & Alliances:** **Secured 10% budget increase** for library improvements based on pandemic safety; won Board of Supervisors, Trustee, City Manager, and other approvals. Detailed risks of 80,000+ estimated touchpoints.
 - Effective donor development led to receipt of an **endowment gift on the order of 17% of the Library's annual budget**.
 - Preserved organization effectiveness and sustainability in budget development; managed grants and donations. Conferred with advisory, legislative, regulatory, and community groups. Monitored legal and legislative changes; lobbied Legislature.
 - Presented funding and proposals to City Manager, Trustees, and Board of Supervisors.
- **COVID Support:** Championed and galvanized library effort statewide, collaboratively harnessing makerspace equipment and staffing to **3D print and deliver** 90,000 face shields, and 10,000 test swabs per week, along with hospital equipment respirator valves, working in tandem with state Public Health leaders to cultivate public trust.
 - Chosen for task force by State Health & Human Services; built Johns Hopkins-based reopening plans adopted statewide.
- **Remote Learning & Technology:** Met 80%+ of community needs with Wifi, using CARES funds and city assets; funded implementation of library technologies including touchless check-out stations and exterior hub lockers for pickup of reserved items. Created cost-effective technology strategies as ALA / LITA author including Summer Reading program (#3 statewide).

Nevada State Library, Archives, & Public Records: State Librarian: Division Administrator, Executive Branch | 2018–2019

Secured First State Funding Increase for Libraries Statewide in 15+ Years; Accelerated Workforce Development Support
 6 Agencies & Executive Budgets (\$30M), ~100 Employees, & Federal / State Grant Programs for All Nevada Libraries

Brought onboard after gubernatorial library review appointment – quickly securing funding for libraries statewide by collaborating across governmental network. Aligned division with legislative, regulatory, policy, library information science, records, and archival practices, supporting residents / academic, school, public, and special libraries. Served as de facto authority on library issues and librarian certification. Collaborated with Governor's Finance Office and Administrative Services Division. Organized programs including State Data Center, Census Bureau prep, records management and public records, and state and federal funding. Served on and led boards, committees, councils, and associations; testified before legislature, Interim Finance Committee, and Boards of Examiners / Finance. Advocated for Career Explorer database enabling user alignment with in-demand occupations.

- **Budget Increase:** Advocated for and **won 140% increase** in legislated state funding, reversing downward trend of 15+ years with unanimous decision on funding for collections, databases, bookmobiles, and emerging technologies.
- **Workforce Recovery & Career Development:** Championed Nevada XR Libraries Project using VR to explore career options; partnered with California State Library in aligning federal funds to build novel workforce development program in partnership with public libraries and rollout statewide.
- **Support for Environmental Goals:** Convened statewide conversation across 13 communities around climate and preserving Nevada's way of life, culminating in governor's executive order for collaboration on climate goals.

University of Nevada, Reno: Director, DeLaMare Science & Engineering Library, University Libraries | 2010–2018
@One Services Manager, University Libraries | 2008–2010

Information Services Specialist II, University Libraries | 2006–2008; Adjunct Faculty & Instructor - Honors College | 2010–2013
Stellar Astronomy & Pre-Med Physics Instructor - Physics Department, College of Science | 2004–2009
Researcher - Department of Energy; Bechtel Nevada Satellite & Remote Sensing Lab | 2004–2005

Top 100 University Library Transformation Into Innovation, Entrepreneurship, Discovery, Collaboration, & Technology Hub
 Up to 25 Direct Reports, ~160 Indirect (Classified, Faculty, & Student), & \$5.5M Budget

Transformed an underutilized science and engineering library targeted for closure into a vibrant hub for research, innovation, and collaboration, resulting in a 5X increase in foot traffic and >10X increase in use. Oversaw facilities including Mary B. Ansari Map

University of Nevada, Reno | *Continued...*

Library. Led governance as Dean's Council member for University Libraries and Teaching & Learning Technologies. Supported faculty, students, and stakeholders in earth sciences, engineering, chemistry, physics, computer science, and other studies, integrating library resources and services into the curriculum and research projects. Set policies; led program improvements. Tripled computer and device access; increased Wifi reach.

Realized substantial increase in @One users in \$125M Mathewson-IGT Knowledge Center through quality and service emphasis; mandated use as instructor. Served as Service Desk, Projects, Computer, Dynamic Media Lab, DataWorks Lab, smart classroom, Multimedia Center, and teleconferencing SME. Managed 19 employees, including students.

As principal technical resource expert in Nevada Digital Initiatives branch, provided customer service for DataWorks and Dynamic Media Labs. Analyzed requirements; developed systems, databases, and apps. Supported multimedia desk operations. Taught Honors 200B seminar for STEM students; taught Stellar Astronomy and tripled year-over-year enrollment.

- **Library Revitalization: Transformed library to vibrant knowledge center**, achieving 10X increase in use (minimal cost or staff changes). Built collaborative workspaces from surplus; converted bookstacks into collaboration areas with new service hours.
 - Received NCET Tech and Economic Development Authority of Western Nevada Most Innovative Space Award.
 - Introduced and grew including Google Glass / Oculus Rift development kits, VR headsets, and LEGO Mindstorms.
- **Collaborative Workspace Innovation**: Established a makerspace that fostered interdisciplinary collaboration, entrepreneurship, and hands-on learning, aligning with the University's commitment to innovation and community engagement. Profiled in *Make Magazine* article "The Most Interesting Makerspaces in America."

*Other Experience:*Telecom Holdings of Nevada, Chief Technology Officer

Tech oversight of operations across multiple held companies, including the founding and launch of a separate telephone company (CLEC, regulated under the Public Utilities Commission) with equipment colocation, long-distance carriage, and network access. Managed operations and directed technical staff, with direct oversight of \$20M budget; led connectivity buildouts still in use.

PowerNet, Founder, President, & CEO

Founded Internet Service Provider as first in the state and among first in nation, bridging the gap for tens of thousands of individual and corporate members. Innovated revenue model while solidifying and expanding membership base exponentially to a successful exit acquisition; principal with oversight of fiscal, management, marketing and customer support.

NASA Space Grant Colleges, Research Fellow

Founding recipient of fellowship as student pursuing a career in science and technology; worked in partnership with faculty of Johns Hopkins/Space Telescope Sciences Institute, the IUE orbiting astronomical observatory/ NASA Goddard Space Flight Center, and the Lunar and Planetary Lab at University of Arizona, Tucson.

Selected Regional & Global Affiliations

Co-Chair, Membership Committee – Benefactor & Sponsoring Member, Freedom to Read Foundation (2024–Current)

ACRL-STS Liaison, International Association of Technological University Libraries (2022–Current)

Member, ALA APA Certification Program Committee (2022–2026)

Elected State Chapter Councilor, serving as part of governance on ALA Council (2019–2023)

Chair, Nevada Association of College and Research Libraries (2019–2021)

Executive Board, President-Elect, and President, Nevada Library Association (2020–2022)

Executive Board Member, Nevada Library Cooperative (2018–2022)

Founding Co-Chair, Science & Technology Section Equity, Diversity, and Inclusion Task Force (2018–2020)

Ex-Officio Member, Committee to Approve Schedules for Retention and Disposition of Official State Records (2018)

State Librarian and Representative, Chief Officers of State Library Agencies (COSLA) (2018–2019)

Selected Regional & Global Affiliations | *Continued...*

program “Beyond the Information Commons: leveraging/building student skill sets while staffing the @One service desk.” 15th Annual TCC Worldwide Online Conference, online (based at University of Hawaii, Manoa).

October 28, 2009: *Staged reading of The Psychoscope*. Directed by Ann Medaille, participated in the dramatic reading of the play, written by associates of Mark Twain’s at the *Territorial Enterprise* in Virginia City. Held in the Wells-Fargo Auditorium of the Mathewson-IGT Knowledge Center in celebration of Nevada Day and the 150th anniversary of the Comstock Lode.

Professional Service and Outreach

Department & College Service

Library Managers Council. (2010 – 2018). Serves as one of the representatives on the Dean’s council responsible for ensuring organizational effectiveness, efficiency, and development of policies for University Library operations overall.

Committee Member, UNR Libraries Computing Priorities Committee. (2012 - 2015). Represent departmental interests on the committee tasked with prioritizing and streamlining tasks associated with computer hardware and software across Libraries.

Committee Member, Bibliographic and Information Research Councils. (2010 – 2017). Serves on both committees, tasked with oversight of Libraries’ collections development and maintenance, including package review associated with ongoing subscription content.

Committee Member, Search Committee, Geosciences Librarian. (2017).

Committee Member, UNR Libraries Emerging Technologies Team. (2012 - 2015). Serve as one of the founding members of the committee tasked with ongoing environmental scans/identification and integration of identified strategic technology into Libraries’ practice.

Web Advisory Committee. (2008 – 2010). Served on the committee tasked with oversight of Libraries’ web presence; notable during the timeframe was the transition to a completely redesigned website.

Committee Member, WebCampus Migration Committee. (2011). A subcommittee of the WebCampus Advisory Council, the committee was tasked with ensuring a smooth transition as the campus migrated from WebCampus onto the Blackboard learning management system prior to the Spring 2012 semester.

Curiosity Committee (2011 – 2013). Serve as one of the founding members of the committee tasked with going beyond traditional library liaison roles to better serve the customers of the library by better understanding their information behavior and needs.

Committee Member, Search Committee, DataWorks Lab Manager position. (2011).

Committee Member, Search Committee, Instructional Designer position. (2011 – 2012).

University Service

Member, Administrative Council. (2022 – Current) Serve as member of Boise State University's senior leadership team, partnering with the President, Provost, and senior colleagues to govern the institution, advancing University priorities and best interests, developing strategic pathways and vetting major policy and operational issues.

Deans Council. (2022 – Current). Convened by the Provost bi-monthly and as-needed to provide effective and timely communications across colleges, collaboratively develop University policy, and provide decision support.

Deans & Vice-Provosts Council. (2022 – Current). Convened by the Provost bi-monthly and as-needed to provide effective and timely communications across all of Academic Affairs, collaboratively develop University policy, and provide decision support.

Member, Academic Leadership Council. (2022 – Current). Leaders of academic departments within Academic Affairs. Promotes academic effectiveness by supporting the institutional mission, vision, and strategic goals and by enhancing existing administrative and faculty governance structures.

Member, IT Prioritization Committee (ITPC). (2024 – Current) Helps develop and maintain a five (5)-year roadmap for University information technology development projects. Prioritize projects to maximize impact and recommend threshold of large projects from among all project requests and currently active projects.

Co-Chair, IT Operations & Support Sub-Committee of ITPC. (2024 – Current) Through working group representatives, survey new and potential projects across the University with a 5-year horizon, educating stakeholders on intake process

Co-Chair, Research Sub-Committee of ITPC. (2024 – Current) Provide transparency and awareness for OIT projects impacting Research & Economic Development effort University-wide, providing one entry point for project requests. Structure monthly meetings and work in tandem with ITPC to rank in terms of prioritization scoring rubric.

Member, Marketing and Communications Sub-Committee, ITPC. (2024 – Current).

Member, Student Access and Success Sub-Committee, ITPC. (2024 – Current).

Committee Member, LGBTQ+ Task Force. (2017 – 2018). Created by directive from the Chief Diversity Officer, the LGBTQ+ Task Force makes ongoing assessment of attitudes and conditions throughout the University regarding gay, lesbian, bisexual, trans, and Queer persons and issues.

Student Services Food Committee. (2016- 2018). Composed of faculty, staff, and student leadership, the committee meets monthly to provides input and feedback regarding Food Services to Residential Life, Housing, and Food Service.

Committee Member, Institutional Strategic Plan for Research Committee. (2012 - 2013). Led by the Office of Vice President for Research, tasked with developing the Institutional Strategic Plan for Research as part of a team of 25 faculty selected to represent colleges and schools of the University. The strategic plan for research is to address actions and goals listed in the UNR Strategic Plan 2009-2015, and may consider additional goals if needed. Supporting documents at website <http://www.unr.edu/research/ISPR/>

Ex-Officio Member, University Faculty Financial Advisory Committee (2024 – Current). Serve as representative of University Academic Affairs to represent the Provost's Office in the review of faculty financial matters by Faculty Senate.

University Senate Service, Faculty Senate Research & Grants Committee. (2010 - 2013). The Research and Grants Committee monitors university policies and offices that significantly affect the ability of faculty to compete for external funding, conduct high-quality research, and publish research results. The committee studies the best practices of our aspirant institutions and makes recommendations to improve the university's research capacity. This Committee works July to June each year.

Committee Member, Core Curriculum Program Review Committee - Math/Natural Science. (2010 - 2014). Participate in the ongoing review of courses at UNR associated with the core curriculum, specific to Mathematics and the Natural Sciences.

Committee Member, WebCampus Advisory Council. (2008 - 2016). The WebCampus Advisory Council provides input to the ongoing operations and proposed changes to the campus learning management system(s).

Campus liaison, New Media Consortium. (2009 - 2017). Review and coordinate UNR participation in NMC events, including virtual symposia; represent the UNR community's interest in NMC Campus Leaders Advisory Board; review updates from NMC and redistribute as appropriate to faculty and departments; moderate mailing list participation and access permissions to NMC resource.

Professional Service and Outreach | Continued...

Student Organization Advisor (Professional Organization), Theta Tau. (2013 - 2018). Serve as faculty advisor and campus sponsor of the cross-disciplinary engineering fraternity at UNR; responsibilities include participation at organization events and inductions, as well as regular interaction and student mentorship.

Student Organization Advisor (Professional Organization), Alpha Kappa Psi. (2010 - 2018). Serve as faculty advisor and campus sponsor of the business fraternity at UNR; responsibilities include participation at organization events and inductions, as well as regular interaction and student mentorship.

Student Organization Advisor (Non-Professional Organization), W-Events. (2010). Served as one of the principal advisors to the student organization in their bid for ASUN sponsorship.

Committee Member, Geography Department Search Committee, GIS Faculty Member. (2016).

Committee Member, Search Committee, Assistant Director Honors Program. (2011 - 2012)

Adjudicator/Juror, Sontag Entrepreneurship Competition. (2013 - 2018).

Invited and serve as one of the judges of the Sontag Entrepreneurship Competition. Established by the College of Business at the University of Nevada, Reno to develop the entrepreneurial capacities of University of Nevada, Reno students and facilitate the creation of new businesses in Nevada.

Adjudicator/Juror, College of Science Poster Competition. (2011 - 2015).

Serve as one of the judges for the College of Science poster competition.

Adjudicator/Juror, Graduate Student Association. (2010 - 2017). Serve as one of the judges for the Poster A Competition: Science, Engineering and Mathematics.

Adjudicator/Juror, Graduate Student Association. (2011 - 2012). Served as one of the judges reviewing the applications and supporting documentation of applicants for the "Outstanding Graduate Student" award.

Professional Organizations

Co-Chair, Membership Committee, Freedom to Read Foundation. (2024–Current)

ALA Council. (2019 – 2023). Represent the state chapter of the ALA, serving as organizational leadership to determine policy of the Association and render binding decisions.

President-Elect, President, and Past-President Nevada Library Association. (2020 – 2022).

Chair, Nevada Association of College and Research Libraries (ACRL) ACRL Council. (2019 – 2021).

Carson City School District Advisory Technical Skills Committee. (2019 – 2022). Advise, assist and provide support and advocacy for quality CTE programs, offering guidance and advice to help ensure student learning and preparation for the workplace.

Co-Chair, Science & Technology Section (STS) Equity, Diversity, and Inclusion Task Force (2018 – 2020) Building on the work of the STS Executive Subcommittee, cochair the task force to study ways in which STS can support the work of equity, diversity, and inclusion within ACRL, academic libraries, and across the library profession, suggesting concrete policy steps by which the STS Council may improve equity, diversity, and inclusion in each of these areas.

Chair, Library Leadership & Management Association (LLAMA) Practical and Applied Management (PAM) MidWinter Planning Group (2018 – 2019) Convene members of the planning group to select and host the Hot Topic Discussion at the 2019 ALA MidWinter Meeting.

Past Chairperson, Library and Information Technology Association (LITA)/Library Hi Tech Award Committee (2018 – 2019).

Chairperson, Library and Information Technology Association (LITA)/Library Hi Tech Award Committee (2017 – 2018). Preside over the review and selection of the individual or institution to be awarded for outstanding achievement in educating the profession about cutting edge technology in the field of library and information technology. Co-sponsored by the division of the American Library Association and *Library Hi Tech*, published by Emerald Group Publishing Limited.

Committee Member, Library Leadership & Management Association (LLAMA) Assessment Community of Practice (ACoP) Resources Committee (2017 – 2019) Exploring and fostering emerging and best practices in assessment of physical and digital resources such as collections, facilities, websites, and discovery tools.

Professional Organizations | Continued...

Committee Member, Library Leadership & Management Association (LLAMA) Practical & Applied Management Committee (2017 – 2019) Charged with enabling membership to explore practical and applied management challenges, while developing and sharing evidence-based practices that improve management planning and daily supervisory skills.

Committee Member, Library Leadership & Management Association (LLAMA) Leadership Theory Committee (2017 – 2019) Charged with engaging interested individuals across libraries in discovery, discussion, engagement, shaping, and application of leadership theory.

Program Planning Committee. (2013). Due to the interest in makerspace and libraries, an area of my expertise, I was co-opted into service providing expert input to the program planning committee membership regarding proposed programs.

Pre-Conference Program Organizer, American Library Association/Library Information Technology Association (ALA/LITA). (2013). Recruited by LITA leadership to cofacilitate and coordinate the all-day makerspace preconference at ALA Annual 2013 in Chicago: “Makerspaces, the Field Trip”; involved extensive work with ALA offices.

Conference Panel, American Library Association/Library Information Technology Association (ALA/LITA). (2013). Recruited by LITA leadership to pull together the professional panel presentation “Makerspaces: Creating, Exploring, Pitfalls” at ALA Annual 2013 in Chicago.

Ad-hoc Committee Member, LITA Program Planning Committee. (2013). Due to the interest in makerspace and libraries, an area of my expertise, I was co-opted into service providing expert input to the program planning committee membership regarding proposed programs.

AAAS Science Librarians Orientation (2012 – 2017). Participate as a librarian and active member of the American Association for the Advancement of Science (AAAS) at the annual meeting of the society, participating in the orientation and introduction for all librarians attending the Annual meeting.

Committee Member, Association of College & Research Libraries, Science & Technology Section: Information Literacy Committee. (2011 - 2013). Provides, evaluates and/or develops resources for advancing information literacy in science and engineering (e.g. models for assessing student performance, teaching methods, instructional design, and tips for working with faculty on instruction-related issues). In addition to in-person meetings at both the ALA Annual and the ALA MidWinter meetings, monthly meetings of the committee take place electronically.
